

CRITERIA FOR JUDGING PROPOSALS

WYOMING 4-H COMMUNITY PRIDE

Name of Applicant

Title of Project

How can the following questions be answered:

How have the needs, concerns and interest of the community been assessed?

What community "power structures" have been contacted for support in accomplishing your project?

Is the project directed toward the community (i.e. does it provide a service for some group beyond the club or 4-H program itself)?

Is the project directed toward a significant problem facing the community?

Does the proposal state specific plans for gaining financial support from within the community?

Are funds being sought for support of a project, which should be funded by city or county government or another agency?

Does the project fit the capabilities of the age of the 4-H group or member?
