PROJECT PROPOSAL OUTLINE

Use this outline as a guide in preparing your project proposal:

STATEMENT OF NEEDS: Background information indicating the needs to be met through this project. Include the needs for learning and practicing better community pride.

II. *GOALS OF LEARNING COMMUNITY PRIDE:* What community pride attitudes and skills do you expect to learn through this project?

GOALS OF SERVICE: What do you expect to accomplish during one year which will benefit other people besides your 4-H group?

METHODS: Describe in detail how you plan to accomplish this year's goal of citizenship and service. Include timetable of the project, and facilities and equipment needed. (If there has been previous work, describe briefly what was done. Also sketch long range plans if project is to continue more than a year.)

4-H'ERS PART IN PROJECT: What are the major parts in this project which will be taken by different persons connected with 4-H? For instance what will teenage members do? Younger members? Adult leaders? Extension staff?

VI. *INVOLVEMENT OF OTHERS:* What will other individuals, service organizations, and agencies do on this project?

VII. *PROPOSED BUDGET:* Give expected income and expenses for this project for one year, and mark with an asterisk (*) items for which the grant would be used:

Expected Income

Sources _____	Amount _____
---------------	--------------

Expected Expenditures

Items _____	Amount _____
-------------	--------------

If the project will continue more than a year, what is the expected total cost?

\$ _____

BANK FACILITIES: How will finances be handled (club treasury, county 4-H foundation, etc.)? If grant is awarded, to what person or organization should the check be made payable?

IX. *OTHER INFORMATION:* Include any other information or documentation that would be helpful in describing the proposed project.
