ALBANY COUNTY 4-H, 1932

DEAR FRIENDS IN 4-H YOUTH DEVELOPMENT,

I am pleased to present the 2013 Wyoming State 4-H Foundation Annual Report. On behalf of the Wyoming State 4-H Foundation Board of Directors, the Wyoming State 4-H Office Staff, and most importantly the thousands of 4-H youth from across Wyoming, a big thank you is extended to all of the volunteers and donors that have given this year. Their time, knowledge, and the monetary donations given to the 4-H Foundation for use in the Wyoming 4-H program have allowed many expanded opportunities for the education of 4-H youth in Wyoming.

This year was a very exciting time for the Wyoming State 4-H Foundation. A significant bequest given to support Wyoming 4-H has helped ensure the development of long-term, sustainable funding across the state. With this gift, the State 4-H Foundation launched a matching endowment program for all 23 county 4-H programs to help them secure funding for future 4-H programming and activities. This effort truly gets to the grassroots level of Wyoming 4-H. Although this is a start in securing 4-H opportunities for the next 100 years, more is needed to fund 4-H at a level that will allow the most youth the benefits of all the great things 4-H has to offer.

We would like to send out a sincere thank you to all of the current donors. If you are considering a donation, now is the best time to affect the future of the youth in Wyoming. If you know someone that is interested in youth and youth education and would like to make a difference, please tell them the possibilities in Wyoming 4-H. Together we can make "The Best Better" and allow our 4-H youth the opportunity to become caring, competent, and contributing members of our society.

Steve Mack, Director
Wyoming State 4-H Foundation

2013 was a great year for youth in Wyoming 4-H.

We've been celebrating 100 years of serving the youth in Wyoming starting with a party at the last Wyoming State Fair, and we'll end at the 2014 Wyoming State Fair with a celebration of the passing of the Smith-Lever Act that created the Extension Service – our parent organization. We're amidst a yearlong celebration of the thousands upon thousands of Wyoming citizens who have benefitted from the wonderful opportunities 4-H offers.

The program continues to focus on outcome-based educational opportunities implemented to reinforce best practices for positive youth development. We continue to foster interests in science, technology, engineering, and mathematics, while expanding to include youth international opportunities to grow and better understand their world including places like South Korea, Mongolia, and Samoa. We continue to provide educational efforts in character development, youth leadership, career development, citizenship, healthy living, and many more.

Research indicates youth in 4-H are better prepared for and more likely to attend college, do better in school, contribute more to their communities, and are less likely to participate in risky behaviors. Yes, 4-H truly is a unique program that creates opportunities for youth, families, and communities to grow and learn together with the best holistic approach out there. Many thanks to donors, granting entities, and volunteers who help fund and support Wyoming's youth engaged in UW 4-H.
