Your record book should be a work in progress!

Where are you with yours?

Goal setting, record keeping, and reflection are important aspects of 4-H learning and positive youth development. County UW 4-H employees and 4-H volunteers use this information annually to assist in assessing, planning, and implementing the 4-H program as well as for annual recognition. Additionally, 4-H alumni indicate significant value of the record book system in the development of a resume that is customarily used for a variety of scholarship applications- including Wyoming 4-H.

Project Report

Current Year: 2021 - 2021

Project: Market Sheep

Member Name: First Last Name

Age Level: Intermediate

Clubs: Barnyard Bunch (Big Piney Sheep, Swine, & Goat Club)

Learning Goals for this year: What do you want to learn about? What do you want to do better?

I plan to make a steady eating plan for my lambs.
I also plan to have a steady workout plan for my lambs.

What are you planning to do?:

Describe your plan to accomplish your goals. Who's going to help you?

- For my first goal I will set alarms for when to feed my sheep.
For the second goal I will set reminders for when to walk and practice bracing my lambs, I will also make sure their feeding times will not interfere with their walking times.

Example

The annual record book is evaluated for annual status toward potential induction into Wyoming 4-H's highest achievement, the Wyoming State 4-H Honors Club.

Why - Purple? Purple indicates that all branches of the military are supported. Air Force blue, Army green, Navy blue, Marine red, and Coast Guard blue all are thought to combine together as a single color, purple.

4-H CLUB MEETING PROJECT SHEET

April is the month of the
Military Child
 and we invite your 4-H Club
 to Join in the Fun !!

Here is a simple community service project
 you can do at your next 4-H Club Meeting.

SERVICE PROJECT

Supplies Needed:

- comic strip template
- fine tip sharpie markers
- candy bar
- ink pads
- blank paper and pencil
- scotch tape

Instructions:

- You will be creating a finger print cartoon strip.
- Finger print cartoon characters are created by taking your finger and placing it on an ink pad and then transferring it to a piece of paper. Depending on how large you want your cartoon determines which finger you should use. The easiest way to transfer the finger print is place the side of our finger on the ink pad and roll your finger until the tip is covered in ink.

- On blank piece of paper practice creating your cartoon character and create the message for your comic strip "what will be included in each box"
- Once you have a rough draft created, **complete the comic strip template that is on the attached page.**
- Roll the completed comic strip template around 4.2\4.4oz. large candy bar and give to a special person or family that is currently or has served in the military thanking them for their service.

Send picture of your creations to Dawn Sanchez -
 we'd love to share our impacts:
