CONVERSE COUNTY FAIR

DATE ANNOUNCEMENT

**MARK YOUR CALENDAR
JULY 10-18, 2026**

Converse County

Farm Bureau Federation

February 14, 2026

Converse County FFA Chapters and 4-H Clubs,

The Converse County Farm Bureau Federation is holding our **Spring Fling on Friday, April 24, 2026**. This banquet is a way to thank our members for their continued support, enjoy a meal together, and celebrate youth ag involvement. This year we are hosting a silent auction to help local agriculture-based groups.

We are inviting each chapter or club to put together a basket or auction item that will be displayed throughout the evening and sold in a silent auction. Your group can be as creative as you like with your basket or items. 100% of the money paid for the auction item will be donated back to the club or chapter that provided the item. Converse County Farm Bureau has already committed to add-on bonus dollars for each club or chapter that participates!

If your chapter or club would like to participate, one or two members need to attend our Spring Fling Banquet and briefly share information about your club or chapter, discuss your auction item, and tell how the money earned from the auction may be used. If you would like us to advertise your auction item please email photos of it to conversecountyfarmbureau@gmail.com by April 1st. We would like the representative(s) and their families to join us for dinner. Please **RSVP by April 13th** to conversecountyfarmbureau@gmail.com.

Our members take pride in supporting Converse County youth in agriculture and we hope to have your participation in this evening. Silent Auction items and their representatives should arrive at the Moose Club by 5:30pm April 24th. Please contact Pierre Etchemendy with questions.

We look forward to hearing from you and seeing your items.

Best Regards,

Converse County Farm Bureau Federation

2026 Fair Book Changes

Page 4- Stall Assignments

4. All stalls will be assigned this year. Exhibitors must indicate the number of stalls required when entering their information in ShoWorks.
5. Each exhibitor is given to one stall per animal, in addition to one tack stall per species.

Page 4- Ownership of Animals

1. To be eligible for competition, whether singly or in groups, animals must be the bona fide property of the owner and must be entered in the owner's name.
 2. Converse County Fair requires that all Market animals be tagged and weighed at the designated tagging and weigh-in dates. All livestock must be owned by the individual members in compliance with the following Wyoming State Fair ownership deadlines. **Exhibitors must have a brand inspection or bill of sale for market livestock at the January/May tagging and weigh-in.**
 3. Only approved exceptions by the Fair Board prior to tagging dates will be excepted. 30 days prior to the initial species-specific weighing and tagging date(s), a written request must be received by the CCFB for review and approval of exemption.
 4. **All Breeding Livestock** - Must fill out a Ownership I.D. Certificate and return the completed form into Kellynne Doyle by ownership deadline. June 1, 2026
 5. **Rabbits and Poultry**- Must fill out a Ownership I.D. Certificate and return the completed form into Kellynne Doyle by ownership deadline. June 1, 2026
- Forms can be found by scanning QR Code or on the CCF website. <https://www.conversecountyfair.com/links.html>
7. NEW THIS YEAR*****
The "Family Back-Up Animal" is an opportunity for families to identify an animal as a "backup" in the case of death, or other unforeseen circumstances. This animal can be identified as a "Family Animal" (immediate family only) at the January/May tagging dates. At the time of County Fair Entries this animal must be designated to ONE (1) exhibitor and deemed to be 4-H or FFA at that time. The failure to do so will disqualify this animal from being eligible to weigh-in at County Fair.

Page 32- Swine Classification

MARKET SWINE DIVISION 19

General Information:

1. Swine shows will be classified by breed, then weight using natural breaks or logical separations.
2. Classes will be established by breed division and then weight within each breed division respectively by the Swine Superintendent following processing.
3. **Dark Cross** – To classify as a Dark Cross, the animal must have black pigment and hair in the same location. Examples include: black belted, white hog with black spots, calico with black spots, or a white hog with a black head.
4. **Light Cross** – To classify as a Light Cross, the animal must have white and non-black pigment. Examples include: red belts, red roans, blues, and blue butts (including blues with black pigment on the snout and toes).
5. **Purebred** – To classify as a purebred, the animal must meet the breed association's standards for color, markings, body characteristics, and conformation.

Converse County Fair Breed Classification Policy

1. A classification committee, consisting of two individuals, will visually assess each class entry. Registration papers, breeder affidavits, or other factors ****WILL NOT**** be taken into account by the committee members.
2. Animals will not be disqualified from participation as a result of the classification process.
3. In the event of a tie, the Swine Superintendent will serve as the tie-breaker.
4. Classifiers, appointed by CCF, will utilize their judgment to assist with class placements. Their decisions are final and cannot be appealed. To better understand breed standards, 4-H and FFA members are encouraged to review and comprehend the standards set by breed associations.
5. Swine classification will occur during the May tagging and weigh-in event.

DISBUDDING FOR STATE FAIR 2026

Market Goat Youth Show

- **State Fair Rules**

YOUTH LIVESTOCK

• Market Goat Horn Policy Update—Youth Market Wethers & Dehorned Market Does: Must follow the existing policy—no horns, with scurs up to one inch acceptable.

Market Does: Horns will be allowed **only** in the Market Doe class. Exhibitors with a **dehorned** doe may choose to enter either the Market Goat class or the Market Doe class.

Photo pulled from WY state fair website:
<https://wystatefair.com/wp-content/uploads/2025/05/Youth-Goat-2025.pdf>

- **Converse County Fair Rules**

Converse County does not have a market goat horn policy. This rule only needs to be considered if you plan to show a market goat at the Wyoming State Fair.

Photo By: Mississippi State University

Pro's for Disbudded Goats

- Reduced Risk of Injury to Humans.
- Reduced Risk of Entanglement and Death.
- Better Market Potential.
- Packer & Processing Preference.
- Goats establish a pecking order through head-butting, and horned goats can seriously injure other animals in the show ring environment.

Disbudding is typically done before two weeks of age. Once the animal reaches two weeks of age, the horns will fuse to the frontal sinus and removing them will require an invasive and risky procedure. If you plan to show a market goat at the Wyoming State Fair, please talk to your breeder about disbudding your animal.
