

Crook County CLOVER CONNECTION 4-H Families & Friends

March is here, and our 4-H year is picking up momentum! With project work underway, workshops on the horizon, and new learning adventures ahead, now is the perfect time for members to dive in and try something exciting. Whether you're preparing animals, experimenting with STEM challenges, or strengthening leadership skills, your hard work now sets the stage for success later. Families, be sure to watch for upcoming dates and opportunities—you won't want to miss what's coming next.

As we move into spring, you'll start to see even more chances for youth to practice responsibility, creativity, and teamwork. We encourage members to stay curious, ask questions, and take advantage of the hands-on learning 4-H is known for. Together, we're building a season full of growth, confidence, and memorable accomplishments.

Spring is coming! ~ Erica

4-H Dog Show July 19th

2026 changes coming to Crook County Fair:

2026 Dress Code:

Youth Exhibiting animals at the Crook County Fair are expected to showcase their animals with pride and professionalism. All youth must dress for success, proper attire is required as the following nice dress shirts, nice pants (without holes), and boots or leather shoes. No tennis shoes or sandals. For FFA Showmanship you must follow FFA Official dress, which includes Official FFA Blue Jacket, White collared shirt or blouse, Official FFA tie or scarf, Black slacks or pants, black closed toes shoes or as stated by their FFA Advisor.

Livestock Sale Policy Addition:

The Seller /Exhibitor understands that the sale committee and Buyer are not responsible for the well-being of livestock held and reserved by the Seller/Exhibitor for State Fair. S.M.A.R.T GOALS

S

SPECIFIC

Goals should be clear and easy to understand. A specific goal usually answers five questions: What do we want to do? Why is it important? Who is involved? Where will it happen? Which steps or choices are needed?

M

MEASURABLE

This idea means we need clear ways to measure how close we are to reaching a goal. If we can't measure it, we won't know if we're making progress or not.

A

ACHIEVABLE

This idea is about setting goals that are possible to reach. A goal can still be challenging, but it shouldn't be too extreme. When working toward a realistic goal, people might discover new chances or ideas that help them get closer to success.

R

RELEVANT

A relevant goal is one that matters to you and that you're ready and able to work toward. It should make you ask: 'Is this worth doing?'

T

TIME-BASED

Setting a deadline helps you stay focused and finish your goal on time. It keeps your goal from getting pushed aside by everyday tasks. A timely goal should help you plan what to do today, in 6 weeks, and in 6 months.

AGE CLASSIFICATION

4-H programs are offered on an age-appropriate basis to youth, ages 5-18. This is the general age requirement for 4-H participation. On occasion, multi-state and national 4-H programs and events may use different age criteria and will be adhered to as necessary to qualify for participation.

Age classification for 4-H club members are:

Cloverbud: Ages 5-7

Junior: Ages 8-10 (3rd-5th grade)

Intermediate: Ages 11-13 (6th-8th grade)

Senior Member: Ages 14-18 (9th-12th grade)

Ages are as of January 1 of the current 4-H year, which spans from October through September. Here are some examples for clarification:

- If a child is age 5 on January 1, they can join 4-H for the entire 4-H year as a Cloverbud member.
- If a child turns age 5 on January 2 or later, they must wait until the next 4-H year to join.
- If a member is 7 years or under as of January 1, they are a Cloverbud member.
- If a teen will be age 18 on December 31, they can join for the entire 4-H year.
- If a teen is age 19 on January 1, they cannot join 4-H but are encouraged to serve as a 4-H volunteer.
- Collegiate 4-H clubs are available at many colleges and universities for those wishing to continue 4-H activities into their early twenties.
