Dawn's Dialogue

Looking out the window it is a little snowy outside and makes me want a nice warm cup of hot chocolate. When I went to the cupboard to get some, there wasn't any. The only thing in the cupboard was this apple cider drink mix. I was a little reluctant to drink it as I had never had it before - but I did. To my surprise it was fabulous, in fact I wanted more than one cup.

Why am I telling you about this? It reminded me that often we get set in a groove of what is comfortable and what we know. As

I look at all the great project meetings that are planned in Laramie County in the upcoming months, we are thankful for the many volunteers that are sharing part of their time with our members. I encourage each of our youth and families to try something new this year. Could that be taking on a new project like cats or shooting sports? Could it be participating in one of the judging programs? Could it be giving a speech at the county contest in June? Whatever that new challenge is, you may find it very rewarding, like my cup of cider, or you may decide it is not for you. You will never know until you try it. If there is something in the newsletter that interests you, but you are not familiar with - give us a call, we'd be happy to share more information.

Cloverbud Funday

Laramie County 4-H Cloverbuds is a FUN youth program specially designed for children in K - 2nd grade (ages 5-7 as of January 1, 2021). The focus is hands-on cooperative learning in small groups with adult supervision. Cloverbuds participate in activities, games, and other positive experiences in a supportive, creative, challenging, and fun environment that introduce them to the wide variety of 4-H project experiences which are available to them when they turn 8 years old.

The next Cloverbud Funday will be Saturday, February 27, 2021 at 2:00pm inside the Community House at the Archer Complex.

Please email or call Brittany at bnewlin1@uwyo.edu or 307-633-4479 to RSVP.

Cloverbud Funday

We will be discussing mythical creatures and comparing them to large livestock seen in 4-H projects. As a community service project, we will make dog beds to donate to the animal shelter, and we will finish off our funday with Root Beer Floats and Donuts!

4-H Benefit Bash Updates

4-H BENEFIT BASH

Due to the pandemic, we will continue the 2021 Benefit Bash as a Facebook Live Drawing and not a live event.

We want to make sure that the event is as successful as possible. The committee has decided to only do a basket raffle, raffle of a 1/2 steer, and they are researching whether we will be doing a silent auction.

Clubs will earn funds off the pre-sale tickets as they have in the past. On the day of the raffle, everyone will be able to watch the action on Facebook Live and purchase tickets online before each basket is raffled.

The bash will occur on April 24, 2021 2:00pm -4:30pm on Facebook Live.

The next Benefit Bash meeting is Tuesday, February 2 at 6:00p. This meeting will be held in room 409 of the LCCC Pathfinder Builder. Leaders will be able to check out tickets at this time.

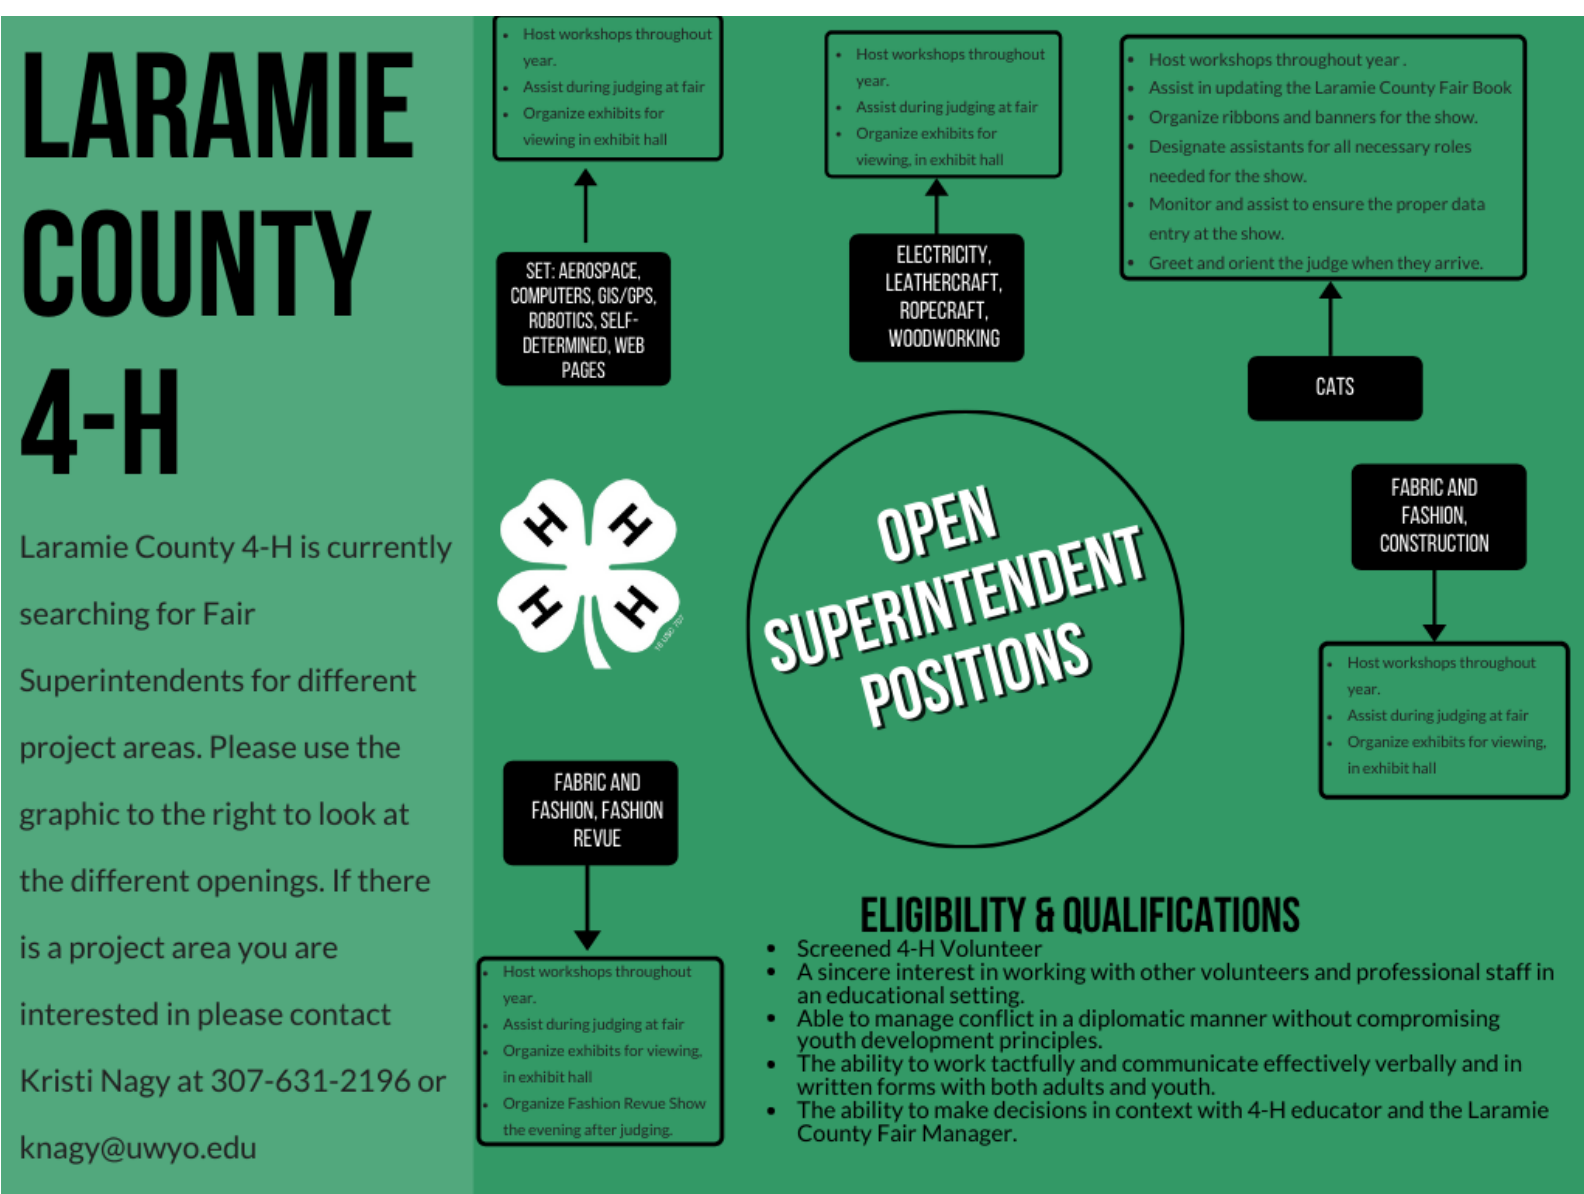

Pre-sale tickets for club baskets and the 1/2 steer will be released February 2nd. Presales will close on Monday, April 19th!

As you are selling tickets, let the buyers know they can watch the event anywhere they would like from the Laramie County 4-H Facebook page.

We are currently looking to fill different Fair Superintendent positions for both static projects and livestock. Please check the graphic below to see what positions are open. If interested please contact Kristi and 307-631-2196 or knagy@uwyo.edu

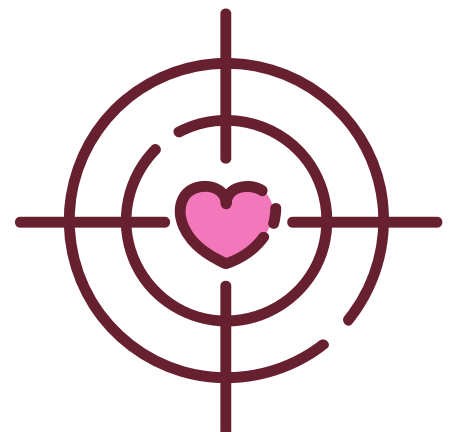

Shooting Sports Leader Training

We are looking for Shooting Sports Leaders. All 4-H Leaders need to register on 4h.zsuite.org, complete a background screening, and attend a face-to-face New Leader Training in Laramie County. In addition, those interested in Shooting Sports need to attend Shooting Sports Volunteer Leader Certification for each discipline they would like to assist with. The information below is for the upcoming State trainings. You can attend whichever of the trainings works best for you. Shooting sports leaders can also receive a 1 year training certification through the local leader of that discipline. To maintain status as a shooting sports leader, volunteers must attend a state training every 5 years.

Volunteer Leader Certification

In the spring months, the Shooting Sports Training Committee will be coming to a county near you to conduct a training. If you are a new shooting sports leader or have reached five years since your last training plan to attend one of these opportunities:

1. Southeast Area - Goshen County, Torrington

BEGINNING FEED EDUCATION CLINIC

February 8, 2021

6:30PM

ANB Leadership Center

1st Floor of the LCCC Pathfinder Building

This clinic is for members and their families. Please don't plan on dropping off your kids and leaving them as we want this to be something for the whole family to learn about together.

We will cover basic feeding nutrition for beef, swine, and sheep. This is for anyone that would like to learn more on how to feed their project animals to be Fair ready. Feel free to bring note taking material. Please keep in mind that this is a beginning nutrition clinic to help understand basic livestock feeding practices.

For more information please call TC at 307-421-2523 or Kim at 307-214-4535

Wool Judging

Wool Judging? Many of you may ask "What is that?" Wool Judging is one more judging opportunity offered through Wyoming 4-H that provides kids a chance to work with their friends and other 4-H youth as a team learning together. It helps kids develop decision making skills, analytical thinking and increased knowledge. In wool judging youth learn to determine grade, yields, and how to place wool fleeces. Kids do not have to be enrolled in the sheep project to participate in wool judging. It is a great introduction to a judging program, as it doesn't require oral reasons. It is one more way to learn about another part of agriculture. There has not been a wool judging program in Laramie County for quite a few years, so we are excited to bring back this opportunity. Call the Extension Office to get signed up. Practices will begin in February and the State Contest will be in April in Laramie. This will be a fun trip for the kids that work hard to learn and be able to showcase what they have learned.

Produce Judging

Produce Judging teaches participants as consumers how to select good produce, and as produce buyers/horticulture commodity producers, what sells best to consumers. Produce will be either fruits or vegetables grown or consumed in Wyoming.

Produce Judging Practice is held weekly on Tuesdays at East High School until Showcase Showdown. Practice is at 6:00pm and is held in room 409. All youth and family members will be required to wear masks at all times at East High School. Youth/families need to enter by the breezeway doors at the South East end of the building.

Junior Leaders

February's Junior Leader meeting will be February 24, 2021 at 5:30pm, location to be determined. This will be an in-person meeting where we will be making dog toys and Valentines for a service project. If you have any old t-shirts or fleeces that you are no longer using please bring them with you as we will be using them to make the dog toys which will be donated to the local animal shelter.

Junior Leaders is a fun group that meets once a month and all 4-H members 13 and older are encouraged to get involved. This group meets on the 4th Wednesday of the month and focuses on helping with 4-H events, doing leadership activities, and community service. We'd love to have more kids get involved. If you have questions about Junior Leaders give Becky Moody the group leader a call at 307-331-5799 or Dawn at 307-799-8780.

Teens needed to Help with Farm & Ranch Show

We are excited to be offering educational workshops as part of the Farm and Ranch Show on February 20, 2021 at the Archer Event Center. There will be a series of educational workshops for adults as well as interactive stations for youth. Dawn would love to have a few of our Junior Leader aged youth to come help here with the youth stations. We will be making grassheads, learning about animals, and more. Youth can come help for an hour or all day - whatever fits into their schedule. This is a great leadership activity where youth get to teach youth. Call the office and let us know if you are willing to help with this event.

If you are interested in attending the adult workshops or simply want more information about this event sign-up and details will be sent out when the schedule is finalized: <https://tinyurl.com/2020AgUpdates>

Warren Warriors Looking for New Members

The new 4-H Club created on F.E. Warren AFB named Warren Warriors would love to have new members. Please help share the word if you know anyone looking for a new club. This club will be meeting primarily on base.

Plenty of Time to Sign-Up for Livestock Judging & Livestock Skill-a-Thon

Practices for Livestock Judging and Livestock Skill-a-Thon will be starting in February. If you have not signed up yet we would love to have you involved in one or both programs. In Livestock Judging youth learn to evaluate and place classes of livestock including beef, sheep, swine, and goats.

In Livestock Skill-a-Thon youth learn to identify breeds of livestock, feeds, equipment, and more. Youth do not have to be taking a livestock project to be involved in either one of these programs. Call the Extension Office today if you are interested in participating and we will add your name to the list and send you more information when meetings dates are set.

RHDV2 Vaccine Interest

With the recent confirmation of RHDV2 being detected in wild rabbits in Albany County, the Laramie Valley Rabbit Breeders Association is trying to gauge interest from rabbit breeders and hobbyists in Wyoming for vaccinating their rabbits against this highly contagious and lethal disease.

A final cost per rabbit for the vaccine is unknown at this time. With more rabbits get vaccinated, the cost per dose should be able to be mitigated, especially if we are able to do vaccine clinics in one or a few areas of the state.
