# Kristi's Corner.....

Hello Everyone,

Laramie County 4-H is filling the days with different educational opportunities for our youth. We are offering new livestock clinics, junior leader opportunities, visual arts classes, photography, and other project learning clinics. Watch your update to get your calendars updated. We are offering the Dairy Goat clinics and Career Night on a virtual platform, if it is easier for your family to attend.

Don't forget we are always looking for different project leaders. If you have a hobby or interest area that you would like to share with our youth, please call Kristi at 307-633-4488.

West Side Shooting Sports is moving forward. Archery has already started and we will be starting Air Rifle and Air Pistol the 2nd week of March.

Thank you for your patience with us for starting the season so late. We have been working through some challenges with practice space at the Archer Shooting Sports Complex. I apologize for any inconvenience this has caused. West Side .22 Pistol practice will begin on March 3rd from 6-7 pm at the Laramie County Shooting Sports Complex. Practices will continue on Wednesdays. Please watch your email for the distancing parameters that need to be followed. We are looking forward to a great season.

Remember we are back in the office at LCCC if you need to contact us.

Thanks,

Kristi

# King Soopers Community Rewards

Laramie County 4-H is now an organization participating in King Soopers Community Rewards. You can follow the steps below to link your Shopper's Card to Laramie County 4-H and earn donations without any additional costs to you as the shopper.

## Step 1. Create a digital account

A digital account is needed to participate in King Soopers Community Rewards. If you already have a digital account, simply link your Shopper's Card to your account so that all transactions apply toward the organization you choose.

## Step 2. Link your Card to an organization.

Selecting the organization that you wish to support is as simple as updating the King Soopers Community Rewards selection on your digital account.

The screenshot shows the King Soopers digital account sign-in page. The header includes the King Soopers logo, a menu icon, a search bar, and a pickup location dropdown set to 'Cheyenne'. The main heading is 'Sign in to your digital account'. Below this, there's a 'Welcome, Brittany' banner with a cartoon illustration of four people. The left sidebar contains a 'My Account' menu with options like Profile, Address Book, Preferences, Purchase History, Wallet, Points Summary, and 'Community Rewards' (highlighted in yellow). The main content area shows 'Past Purchases', 'Savings' (with 'Annual Savings' and 'Loaded Savings' both at \$0.00), and 'Fuel Points' (with a message: 'You currently do not have any fuel points available.').

The screenshot shows the King Soopers Community Rewards page. The header is similar to the previous page. The main heading is 'Community Rewards' with the subtext 'Earn money for your community organization when you use your loyalty card'. Below this, there's a 'Donation Summary' section with a star icon and the text 'Status: never enrolled'. A large, bold heading 'Search for your organization.' is prominently displayed. Below this, there's a 'Find an Organization' section with a search bar (highlighted in yellow) and a dropdown menu for 'Filter by type of Organization' set to 'All'. The 'Search Results' section shows three organizations: '1 Liquid House', '101st Army Band', and '130 BSA Troop ( Golden CO )'.

## **Shooting Sports Orientations**

It is that time of year again. Laramie County East Side Shooting Sports will be starting their Archery Orientations. All youth must attend one of the following orientations and have all their fees paid, before they will be allowed on the shooting line. **Remember, East Side refers to the kids that shoot in Pine Bluffs.**

Orientations for East Side Archery will take place Tuesday, March 2nd, Thursday, March 4th, and Tuesday, March 9th at 6:30 pm and 7:30 pm both nights at High West Energy Truck Bay, 6270 CR 212, Pine Bluffs. Masks are required at orientation unless you can maintain the 6 feet social distancing.

If you are signed up for archery it is mandatory that you attend one of these orientations, no matter how many years you have been shooting....you must attend orientation every year.

Parents should plan on attending as well.

For Archery questions contact Dawn Crouse at [ddjtc4@gmail.com](mailto:ddjtc4@gmail.com) or 307-287-7209

East Side Rifle and Pistol information will be announced when it is available.

## **Urgent Request.**

**Dawn and Dave Crouse have served the 4-H SS Program for over 15 years and are looking to hand the program over to a new generation of leaders. If you want to see the program continue to thrive then they need an infusion of new leaders. If you are interested in becoming a leader, please let us know ASAP. We will help you get the ball rolling and provide the training needed to make the program continue to grow. No experience necessary!**

## Shooting Sports Information

### West Side .22 Pistol

The following is a note from West Side Pistol Leader Levi Van Kirk

- When entering the building, masks are required for everyone in the hallway and outside the indoor range.
- Everyone will gather in the hallway outside the indoor range to sign in and go over anything prior to practice where we can all hear.
- Per the shooting range, masks are not required while inside the indoor range. They do request leaders/adults helping out wear masks while helping the kids since leaders need to get close youth to be heard and to help youth with their pistols. Also, they request shooters wear masks while they are sitting behind the line waiting for their turn to shoot.
- They will reserve up to 6 lanes for us so shooters can be more consolidated. The lanes they will reserve are going to be kind of toward the east end but the far east lane is the ADA lane and has to remain open. Also, the range would like to leave open the 2 lanes next to the ADA lane because the benches can be swung away for people to practice drawing from a holster. We will only have one of the lanes with the lower bench so I may assign that one to a shooter with shorter stature.
- Shooters will need to take turns and rotate due to the number of shooters signed up. Those who are waiting, need to wear a mask and wait in the chairs along the wall behind the line. Please wait patiently and safely. Remember when taking pistols to and from the line, they must be cased.
- The requirement is the same for 1 adult per 2 shooters so we need at least 3 adults on the range if 6 kids are shooting. If more adults want to come in and help that's great, just please wear a mask when helping the kids.
- We have ammo available to buy for \$3.00 a box of 50. I would ask that one of the parents help out with distributing the ammo to people who need it so I can concentrate on the shooting.

### West Side Archery

West Side Archery practices have begun. Practices are on Tuesdays and Thursdays from 6pm to 8pm at Archer M/K. Practices are designed for shooters to shoot for an hour at time. Shooters do not have the entire 2 hours, we want to make sure all shooters have a fair amount of time on the line to get their practice in.

### West Side Air Rifle & Air Pistol

West Side Air Rifle and Air Pistol will be starting soon. Sorry for the delay. We are working through range space challenges. Please watch your email for upcoming information.

### Wool Judging

Wool Judging? Many of you may ask "What is that?" Wool Judging is one more judging opportunity offered through Wyoming 4-H that provides kids a chance to work with their friends and other 4-H youth as a team learning together. It helps kids develop decision making skills, analytical thinking and increased knowledge. In wool judging youth learn to determine grade, yields, and how to place wool fleeces. Kids do not have to be enrolled in the sheep project to participate in wool judging. It is a great introduction to a judging program, as it doesn't require oral reasons. It is one more way to learn about another part of agriculture. There has not been a wool judging program in Laramie County for quite a few years, so we are excited to bring back this opportunity. Call the Extension Office to get signed up. Practices will begin in February and the State Contest will be in April in Laramie. This will be a fun trip for the kids that work hard to learn and be able to showcase what they have learned.

This group meets on the 4th Wednesday of the month and focuses on helping with 4-H events, doing leadership activities, and community service. We'd love to have more kids get involved. If you have questions about Junior Leaders give Becky Moody the group leader a call at 307-331-5799 or Dawn at 307-799-8780.

## Plenty of Time to Sign-Up Livestock Skill-a-Thon

Practices for Livestock Skill-a-Thon will be starting soon. If you have not signed up yet we would love to have you involved.

In Livestock Skill-a-Thon youth learn to identify breeds of livestock, feeds, equipment, and more. Youth do not have to be taking a livestock project to be involved in either one of these programs. Call the Extension Office today if you are interested in participating and we will add your name to the list and send you more information when meetings dates are set.
