*Do you raise or take  
sheep as a project?*

You are invited to participate in the:  
Sheep and Shepherds in the 21stCentury: A Photo Voice

Please submit up to 3 photographs that best reflect your own perspective on the  
role of sheep and shepherds in the modern world. This is a great chance to  
share the importance of sheep to our 4-H kids and how they affect their lives.

We hope that this project will help rangeland managers, ecologists, and the  
public better understand role of sheep. Results from the project will be presented  
at the 2023 Society for Range Management conference.

If you have questions about the project  
contact Dan Macon at (530) 889-7385.

## EMERGENCY RESPONSE CERTIFICATION THROUGH FEMA'S CERT PROGRAM

The Cheyenne/Laramie County Emergency Management Agency (EMA) and the Laramie County Community Emergency Response Team are inviting all 4-H youth (ages 14+) to participate in a real world training opportunity this October (Saturday the 22nd and Saturday the 29th) to obtain their Community Emergency Response Team (CERT) certification, a program of the Federal Emergency Management Agency (FEMA).

**PURPOSE:** The CERT program trains and educates volunteers about disaster preparedness and response with skills such as light search and rescue, medical operations, fire suppression, radio communications and more. The local CERT team is a volunteer organization that professional responders can call upon to backfill essential roles during emergencies as well as during multi-agency coordinated events in our community such as parades and community charity events.

Pre-registration of the three-part training opportunity is mandatory and each portion must be successfully completed for CERT Basic certification. Please note that successful completion of the online portion is a prerequisite to attend any live-training exercise, but interested students are encouraged to complete registration for each component of the course simultaneously and without delay. Due to the hands-on nature of the in-person training exercises there will only be space for twenty students in these classes and will be awarded on a first-come first-serve basis. Additional trainings will be scheduled to meet any 4-H demand in excess of the class limit at a date to be determined later.

**Must complete all  
three parts to be  
certified.**

**PART ONE: Online**

**PART TWO: Saturday, October 22, 2022**

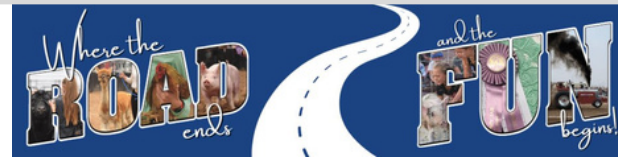

**PART THREE: Saturday, October 29, 2022**

**For links to register  
contact the 4-H  
Office or Joshua.**

Please contact Joshua Salpeter, 4-H Shooting Sports Committee Member, at [joshua.salpeter@gmail.com](mailto:joshua.salpeter@gmail.com) or 305-588-8274 with questions.

PROJECT  
MEETINGS**

The State 4-H Office is offers up \$2000 in awards each year for clubs who have exceptional community service projects and learning activities, awards 10 clubs with \$200 each for their monthly activities.

How does it work?

~~ Clubs are asked to share community service work (Hands to Larger Service Award) and Learning Experiences (Head to Clearer Thinking Award) they engaged in. This work cannot be events or activities planned at the county level, but rather those that are part of a yearly club program.

~~Awards will be given based on community service projects that run from October 1, 2021 – September 30, 2022.

~~ Qualifying applications are due to the State 4-H Office by November 1.

~~ Paper applications are available from the 4-H Office or you can submit them in the following links.
