4-H RECORD BOOKS

It is never too early to start record books! Wyoming 4-H and Washakie County 4-H have launched its online 4-H Record Book through zSuite! 4-H families can create an account and track all their kids' 4-H record books online, real-time, and saved. Similar content is still there as in previous portfolios, but you'll be able to easily add, track, delete, copy, paste, and, even PRINT them out whenever you want without losing data, saving files to your computer or worrying about where they are in the future.

Go get started at- <http://www.uwyo.edu/4-h/current-members/portfolios/index.html>

One great feature that will be available soon is the ability for 4-H club leaders to see (not edit) the record books of their members. zSuite is Wyoming 4-H's record keeping system. Previous Adobe files used and found on our website will be removed.- mark your calendars for March 17 and September 3

SHOOTING SPORTS

Shooting sports is in desperate need of shooting sports adult volunteers. 4-H is a very volunteer driven program and without them we are unable to move forward with certain practices.

Current shooting sports practices are:

- Archery - Every Monday at 5:30pm for juniors and 6:15pm for intermediates and seniors at the fairgrounds.
- Shotgun - will begin once the weather warms up and will be held on Thursday

Air and .22 rifle/pistol are currently without leaders. If you know of anyone who would be willing to help with practices, PLEASE let us know!

Shooting Sports leaders are trained in each discipline and a training is coming up in Basin March 7-8, 2020, a great opportunity to get your training done.

2020 Volunteer Training Series

All trainings will be done via Zoom, and online learning classroom and run from 6:30—7:30 pm.

Utilize Club Officers—January 27, 2020

Your 4-H officers are a great asset to your 4-H club. As a 4-H volunteer or parent it is important to understand the role of an officer team and how to give them the power to create engaging and fun club meetings. In this workshop find out more about the duties of each officer and how you can work with them to lead great meetings.

Do Robert's Rules Really Create Order - February 24, 2020

Most 4-H Clubs use the traditional method of Robert's Rules of Order to conduct business meetings. Robert's Rules of Order can often be confusing and are not used properly in many 4-H clubs. Join this workshop to find out more about how to best modify the decision making process in your 4-H club to help members understand the process of what they are doing and why they are doing it. This workshop will look at alternative decision making methods including how to use a simplified version of Robert's Rules of Order.

Retain Your Membership—March 23, 2020

The Wyoming 4-H program has been part of multi-state retention study for the past four years. Our highest loss of members are first and second year members. Join us for this workshop to find out what the data from the study says. We will discuss why member leave and what we can do as volunteers to keep members coming back and engaging in the 4-H program. If you are a newer volunteer or parent please join us to create the future of our program by helping us to develop a working dialogue of what new members need to stay active and involved.

Record Books and Recognition—April 27, 2020

We are using a new online Record Book for 2019-2020. During this workshop we will take a look at how the new online Record Book works and how to use it. We will also look at the National 4-H Recognition Model and how 4-H clubs and county programs can provide different types of recognition for all youth involved.

A link to participate in the meetings above will be sent to your 4-H online e-mail account one week prior to the meeting. If you are unable to access the link or a computer, please contact your local 4-H Educator to talk about option. Hope to see you there
