

JUNE 2020 4-H HAPPENINGS

It's what's happening in Washakie County 4-H

HEAD

HEART

HANDS

HEALTH

4-H FAMILIES

It's June, school is out and summer is here! We have been given the okay to begin face to face 4-H activities, which we are super excited for! However we are following guidelines, using common sense, practice social distancing and being safe. Be sure to read on and find out what's going on in Washakie County 4-H this month!

EXTENSION OFFICE HOURS

The Extension Office is now open to the public, and we are still here from 8am to 5pm, to pick things up or drop things off. Feel free to give us a call at (307) 347-3431, drop us an email amwall@uwyo.edu or text through remind with any questions!

COVID AND 4-H

Hosting 4-H Meetings in Light of COVID-19

As we proceed with face to face 4-H activities, please be aware of the guideline we are following to ensure everyone stays safe! Please let us know if you have any questions!

The health and safety of all 4-H members, volunteers, parents, guests, and staff is the top priority of the Wyoming 4-H Program. To help reduce the risks associated with the spread of COVID-19, the following guidelines from the Wyoming Department of Health and the Centers for Disease Control (CDC) should be followed to protect yourself and others.

- Stay home when sick and avoid contact with other people unless you need medical attention.
- Follow common-sense steps such as washing your hands often and well; covering your coughs and sneezes; and cleaning and disinfecting.
- If soap and water are not readily available, use a hand sanitizer that contains at least 60% alcohol.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Avoid close contact with people by staying at least 6 feet apart.
- Wear cloth face coverings in public settings where social distancing is difficult to maintain.

To help safeguard the health and safety of our members and volunteers, the following guidelines need to be followed for all 4-H meetings.

Before Your 4-H meeting:

- Ensure that no more than ____ people are in attendance. The number needs to include everyone (volunteers, parents, members, siblings, guest speakers, etc.)
- Inform all possible participants to stay home if they are experiencing any of the symptoms of COVID-19 or have had known contact with anyone with COVID-19 in the last 14 days.
- Inform all possible attendees to stay home if they are considered at high risk themselves or if they live or work with individuals at high risk. (age 65+, are immunocompromised, or have other health factors identified by the CDC that increase risk if being exposed)
- Create and prepare any signs or documents that will be used at the event communicating procedures like, checking in, information for parents, expected times, etc.
- Wipe down all common surfaces as recommended by the Center for Disease Control (CDC). Common surfaces include tables, counters, doorknobs, light switches, countertops, handles, phones, keyboards, toilets, faucets, chairs, etc.

*The University of Wyoming and the United States Department of Agriculture cooperate.
The University of Wyoming is an equal opportunity/affirmative action institution.*

Published May 15, 2020

COVID AND 4-H

When everyone arrives:

- Have a “check-in” process in place and follow it - include providing hand-washing location, hand sanitizer, and directions for where to wait until activity starts to ensure practicing social distancing, etc.
- Take attendance. Be sure to write down the names of EVERYONE that attended and the date.

During the 4-H meeting:

- Maintain social distancing (6 feet) throughout the meeting or activity by households. You may need to be creative with different ice-breaker activities, roll-calls, etc.
- Ensure a protocol is in place and followed for use of any type of equipment. This may require planning of sanitizing equipment between uses. This is especially important for shared equipment like sewing machines, firearms, clippers, pencils, crayons, etc.

After the 4-H meeting:

- Have activities ready for individual youth to do while awaiting their pick-up. These could be handouts, games, etc, that don't involve contact with each other.
- Wipe down all common surfaces with a disinfectant as recommended by the Center for Disease Control (CDC). Common surfaces include tables, counters, doorknobs, light switches, countertops, handles, phones, keyboards, toilets, faucets, chairs, etc.

Preparing facilities for a 4-H meeting:

- Ensure that the size of the room or facility is large enough to allow for the number of expected attendees and in accordance with current Health Orders and County guidelines, this includes space to allow for social distancing.
- Space tables, chairs, shooting points, etc. farther apart to ensure social distancing (at least 6ft. apart).
- Wipe down all common surfaces as recommended by the Center for Disease Control (CDC). Common surfaces include tables, counters, doorknobs, light switches, countertops, handles, phones, keyboards, toilets, faucets, chairs, etc.

Should you have food at your meeting?

- At this time we recommend food or snacks not be provided as part of 4-H meetings. If you feel you need to provide food or snacks, please communicate with your 4-H educator on recommended safety protocols.

Summary

As a volunteer, your health and that of our youth members is of utmost importance and as such some engagement may be minimized at the request of a UW employee or UW 4-H Volunteer based on a health concerns associated with COVID-19.

By following the above best practices, we hope to offer more opportunities for youth to interact face-to-face within the parameters provided by your county health officials. If you have any questions, please contact your UW 4-H Educator for assistance or clarification.

COUNTY FAIR

As of June 1, 2020 the Washakie County Fair is proceeding forward. Fair may look different due to COVID-19 but none the less it will happen. Be on the lookout for more information coming soon!

4-H SUMMER INTERN

This summer we are pleased to welcome Adeline Miller as our 4-H summer intern! She will be working in our office, helping with different 4-H activities/events. She started May 18th and will be working through State Fair. Please help me give her a warm welcome to Washakie County 4-H. We are excited to have her a part of our team this summer!

4-H RECORD BOOKS

New Online 4-H Registration Program and Portfolio Record Books Wyoming 4-H is in the process of transitioning to a new registration system along with its online 4-H Record Book through zSuite!

4-H families can create an account and track all their kids' 4-H record books online, real-time, and saved. Similar content is still there as in previous portfolios, but you'll be able to easily add, track, delete, copy, paste, and, even PRINT them out whenever you want without losing data, saving files to your computer or worrying about where they are in the future. Go get started at- <https://4h.zsuite.org/> There is a how to video on the state 4-H's website. The link is below:

<https://www.wyoming4h.org/washakie4h/record-portfolio/>

Call the Extension Office with any questions!

(307) 347-3431
