Poultry - Will be having a clinic

Cake Decorating – July 8 at Extension office

Rabbit – Will be having a clinic

### **Fairboard:**

Fair planning is going well. Not a lot else to report

### **Old Business:**

4H camp went well. We went to the camp out of Buffalo for a one day camp. There were 18-20 kids in attendance. There was a lot of good ideas that we can use at our camp next year. ie: watermelon game. Their camp was very leader driven

Showcase showdown – 8 kids participated during the virtual show. Anya Sheesley did very well. Hippology took 8<sup>th</sup>. In Livestock judging they took second and won a trip

Fair Food booth - Still a go. County has installed plexiglass on the front of all the booths. Will still need to post hand washing guidelines and supply hand sanitizer and face masks. Clubs should encourage one family working at time and not combining different groups. Beef will come from Paintrock Processing.

**New Business:**

Sale Dinner – Lynn Murdoch will provide a plated dinner. Families will not need to bring any additional items like usual. There will be water served with the meal. 4H members will be needed 30 minutes prior to help clean tables.

Shooting Sports will not be selling drinks this year. We will plan to order more drinks at the food booth.

Fair - For COVID safety protocols the picnic tables have been spread out. The Fairboard has rented a tent for the hog show and sale so that people can still attend and be spread out. Animal numbers are down this year due to the COVID situation. All animals will need to have a health prior to coming to the fairgrounds as the Vets will not be doing them at weigh ins. No exhibits will be permitted to leave the grounds until Sunday morning. Superintendents will need to monitor the barns and help people maintain social distancing.

Amber's Time – Reminder of all the upcoming events and dates.

50 Kids have signed up for livestock judging so far.

Discussion of who's responsibility it is to clean up the barns after the fair. There will be a spot on the sale forms to sign off on pen cleaning by either a superintendent or fair board member.

Looking forward to a great fair this year.

Next meeting will be August 31, 2020 at 5:30pm

Meeting was adjourned at 7:01. Motion to adjourn by Stephanie and seconded by Erin.
