Old Business:

Achievement Night – Done via zoom this year. Amber felt they had great participation and it went very smooth thanks to help from Cindy, Janet, Erin and the girls.

Parade of Lights – We had a great turnout for help decorating and lots of kids to ride. We won the People's Choice Award

H<>W Board Member – Ryan Hamilton is very interested in becoming a board member. Amber will touch base with him again.

Record Book Score Sheets – Amber would like to change the scoring sheets to make them match the new record books. Cindy and Stephanie suggested changing the picture category. Jessica suggested

that the score sheets be handed out so kids are aware of the expectations. Amber will get input from other counties on how their score sheets are done. Record books will continue to be printed.
Meals on Wheels – We had great participation and plenty of help for this community service. Amber said the kids seemed to enjoy it as well as the people receiving the meals. She would like to do it again in the Spring

New Business:

2021 Dates will only be offered online this year to save Amber duplicate work.
Career Night – In the past it went along with Westi Ag Days which will be online this year. Amber would like to do zoom with break out rooms for kids to ask questions. With this option it is possible to expand the career options. BLM, Pharmaceuticals and Animal health were suggested. This will take place the End of February or Beginning of March.
