2021 Volunteer Training Series

All trainings will be done via Zoom, and online learning classroom and run from 6:30—7:30 pm.

Appreciation and Recognition—January 25, 2021

Recognizing 4-H members and leaders is so much more than your annual Achievement Nights. Come and find a variety of ways that leaders can recognize members and other leaders and why that is important. Member and leader appreciation and recognition is important for retention.

Using Technology - February 22, 2021

What is our new normal? Some 4-H clubs are meeting in person, some are still meeting via Zoom, some are hybrid. No matter how your engaging young people technology can aid us to help make meetings and events more fun. Come and gain new ways to use technology and SHARE ways that you are successfully using technology to reach leaders and members.

What Does a Great 4-H Experience Look Like—March 22, 2021

The Wyoming 4-H Leadership Team will join us as we look at great 4-H meetings and experiences. Hear directly from youth as to what they enjoy and love about their time in 4-H. We will look at ways to implement an engaging and fun 4-H experience for youth and adults.

Communication Best Practices—April 26, 2021

Communication is the key to success in a 4-H program. Key leaders from around the state will share communication techniques that work well for them and how you too can use them to communicate to your club and project members.

A link to participate in the meetings above will be sent to your 4-H enrollment e-mail account one week prior to the meeting. If you are unable to access the link or a computer, please contact your local 4-H Educator to talk about option. Hope to see you there
