Last club meeting Shelby Johnson and Paige Lungren completed demonstrations on water science experiment and pigs. April's community service included delivering "Goodie Baskets" to those 4-H supports busy with spring work and May was going to include a necessity drive to share with the local food bank who indicated they were short of these supplies. Next meeting will be May 15th at 7:30 p.m.

Road Runners: Jessica, Zane and Beckett reported that the club helped at the annual Furball and planning to complete flower bed clean-up in May. They hosted the cotton candy and snow cones at the 4-H carnival. They mentioned that timing of the carnival did make it harder to find volunteers for the carnival and suggested moving it to earlier in the calendar year. Working on having club shirts designed.

Sage Stompers: Calee reported that they had completed May baskets for the senior center and special baskets were be delivered to those who are home bound. Will be starting the Ten Sleep horse program in next few weeks.

Lots of project on the 4-H calendar in May including completion of quality assurance. See attached agenda list.

Fair book is in edit mode for first draft. A few changes in fair book include extending horse show to two days. Premium amounts are being increased for ribbons. Hours will be extended for beef time in barn until 9 p.m. July 7th fair entries are due.

Old Business:

Shed Cleaning: It was identified that the roof was leaking as roof vents appear to be duck taped shut. It was determined that we would reach out to Ryan Johnson to check out needs and advise on solution or

correct if it appears within his scope to fix the roof. The shed needs cleaned including many Renegade items, trophies, gun boxes and old records. Tentative date was set for May 12th at 4 pm to clean out the shed.

Carnival Report: Dialogue about date for next year occurred with suggestions to move back to the middle of March between winter and spring sports. Also dialogued to consider moving it back to a Friday night with set-up occurring on Thursday. Would consider time frame of 5 to 8 pm, as it was mentioned 4 pm would be too early for Ten Sleep club.
