## 2026 Summer Mentors Program

The Wyoming Enrichment Network is recruiting for the 2026 Summer Mentors Program, and we're looking for Wyoming college students who want to make a real difference in their home communities this summer. This is the fourth year of the program, and we're hoping to find passionate young people who can bring energy, fresh perspectives, and genuine connection to summer programs serving youth across the state. The application is currently open!

Students can learn more and apply at [wyoenrichmentnetwork.org/summer-mentors](http://wyoenrichmentnetwork.org/summer-mentors)

## 2026 Summer Mentors Program

### Be the person kids remember

Remember the camp counselor who made you feel like you could do anything? The librarian who got your sense of humor? The coach who saw something in you before you saw it yourself?

### This summer, you could be that person

The Summer Mentors Program trains college students to work with kids in Wyoming communities—building relationships, sparking curiosity, and creating the kind of belonging that changes lives. You'll gain real skills, earn money, and spend your summer doing work that actually matters.

### What's included

- \$600 stipend (on top of whatever your summer job pays you)
- Professional training in youth development and relationship building
- A statewide network of mentors doing the same work across Wyoming
- \$500 in materials/resources for your program
- Experience that counts (meets undergraduate internship requirements)
- Plus, you'll have stories worth telling for years.

### Learn more

Want to learn more about this opportunity? Find details at [wyoenrichmentnetwork.org/summer-mentors](http://wyoenrichmentnetwork.org/summer-mentors) or contact Emily directly.

### How to apply

Apply online by April 1. Use the QR code or find the link on our website.
