

Washakie County Fair Junior Livestock Sale Rules and Agreement

Please return your sale agreement to the Washakie County Extension Office by fair entry deadline.
Washakie County Junior Livestock Sale Procedure and Rules – Seller’s Responsibilities

- ✓ I will honor the sales contract and agree to fully indemnify the Washakie County Junior Livestock Sale Committee for any claims or losses.
- ✓ I understand that this activity has some inherent risk. I take responsibility for that risk. I release the Washakie County Fair, Washakie County 4-H, Chief Washakie FFA, Ten Sleep FFA, Worland Middle School FFA and the Washakie County Junior Livestock Sale Committee from any and all liability from any injury to person or damage to property that may occur.
- ✓ Only 4-H and FFA members, that are in good standing and have met show requirements for their respective animals are permitted to consign the exhibited market animal. There will be a limit of one animal per species with a total limit of two species per member permitted in the sale.
- ✓ Youth who wish to sell an animal at the Junior Livestock Sale must have completed the Livestock Quality Assurance appropriate level for their age by June 30 in order to sell.
- ✓ No underweight animals will be sold. Overweight animals may be sold, but youth will only receive payment for the posted maximum weight for that species. See market animal weights in the Washakie County Fair Premium Book.
- ✓ I certify that my animal(s) has NOT been administered any non-approved biological agents as per USDA regulations which state “all meat producing livestock must be withheld for the appropriate withdrawal time after inoculation with any biological agent.” (Including fly sprays and restricted feeds). Beef and sheep have not been fed any ruminant derived protein feeds.
- ✓ I understand that all Junior Livestock Sale animals are subject to random drug testing.
- ✓ I understand that ear tag numbers presented for delivery must match that of the animal sold in the sale ring.
- ✓ I am responsible for the proper feeding and care of the animal (s) until delivery to the buyer or designated processor. It is the youth’s responsibility to make arrangements with the buyer’s choice of a processor for delivery. Upon delivering your animal to the processor, have them sign the sale voucher which can be picked up at the sale. You must bring the sale voucher along with your thank you note to the Washakie County Extension Office to receive your check.
- ✓ Youth selling livestock will not receive payment on sale day. Sale animals bought for slaughter must be taken home by the member and brought back to the processor. Make an appointment with the processor for delivery.
- ✓ I understand insurance on my animals is optional but encouraged and that if my sale animal dies before delivery to the buyer, I will forfeit funds from the sale of this animal, if an agreement cannot be made with buyer for a replacement. I will notify the Junior Livestock Sale Committee immediately in the case of the death of one of my sale animals.
- ✓ I have provided necessary forms to the Brand Inspector for beef and sheep.
- ✓ All animals will be weighed at the beginning of fair during scheduled weigh-in times and this will be the weight they show and sell at.
- ✓ The Junior Livestock Sale Committee will withhold 6% of all the proceeds derived from the Junior Livestock Sale for pre-sale publicity and buyer recognition. However, if the youth participate in the Sale Promotion week prior to county fair (dates preassigned each year and adheres to all sale promotion participation requirements, listed in 4-H/FFA newsletters) the sale commission will drop to 3%.
- ✓ Any youth with grand and reserve champion animals at the Washakie County Fair will have the privilege to sell. Youth must sell that animal if they are planning to sell an animal in that species. The youth will not be allowed to sell a lower placing animal in that particular species. If the youth has Grand and Reserve Champion in the same species, the youth may choose which of those to sell. If the member chooses not to sell their grand or reserve champion animal, they forfeit their right to sell a replacement species, regardless if in the 4-H or FFA program. Those youth with grand and reserve animals will also have the privilege to choose their lot number (within their species) in the sale order within the first round of exhibitors. If the exhibitor fails

to notify the sale committee by Friday at 12pm (week of county fair) they will be assigned a lot number by the sale committee.

- ✓ A record book must be completed and turned in by September 15 for each and every species of animals sold at the Junior Livestock Sale. Failure to do so will cause the member to lose all sale privileges for all species for the next year (for one year). Youth may regain sale privileges the following year. Failure to turn in record books again will result in permanent loss of sale privileges for all species (for all remaining years in 4-H/FFA).

We would like to remind you that it is a PRIVILEGE to sell in the Washakie County Junior Livestock Sale, not a right.

If my animal (s) is reserved for State Fair:

- ✓ I will take the animal (s) home after the Washakie County Fair.
- ✓ I am responsible for the proper feeding and care of the animal (s) until delivery to the buyer or designated processor.
- ✓ I will make arrangements to deliver live animal(s) to the buyer no later than the Monday after the Wyoming State Fair.

I agree to abide by all conditions of the sale as noted in the Washakie County Fair Premium Book and above mentioned rules and have read and received a copy of this sale agreement prior to the sale. Failure to meet these requirements will result in losing sale privileges.

Exhibitor Name (please print): _____

Exhibitor Signature: _____

Parent/Guardian Signature: _____

Date: _____

Before the Sale Checklist

- Have animal tagged at required tagging dates
- Enter your exhibits for county fair online
- Fulfill Livestock Quality Assurance requirements

During the Sale Checklist

- Check the sale order before the sale starts, as the sale order is random
- Personally thank your buyer while having them sign the destination paperwork
- Pick up your sale voucher after animal sells to make sure you and your buyer know where your animal is going after the sale

After the Sale Checklist

- Arrange time at the appropriate processor
- Deliver your animal to the processor or resale
- Have your sale voucher signed to receive check
- Turn in sale voucher/stamped envelope with thank you to buyer and pick up check at the Extension Office
- Turn in a completed record book for each species sold
