Showcase:- 5 kids went, discussion was held on paying Amy's gas

4-H camp- 40 kids, 10 adults. Next year, keep it around the same time. Washakie, Hot Springs and Converse counties were in attendance.

Food Booth- having a person of the day helped a lot. The safe was appreciated. Kim Lang said she would help organize.

Awards- Shooting sports didn't complain, had a lot of extras for next year. Coming to the office to write thank yous is great. Fair royalty helping was nice. Shooting sports kids choose their awards and then they are ordered. Others we try to keep local.

State Fair- 20 kids with livestock judgers. We paid and FFA kids were covered also. Consider next year how to work it. Had very good representation with kids in the final drive.
